

ELECTRICAL & COMPUTER ENGINEERING**OREGON STATE UNIVERSITY****College of Engineering****WALLACE, Alan K.**

Professor

BIRTH DATE

November 29, 1942

DEGREES

B.Eng. (Hons.), Electrical Engineering, University of Sheffield, U.K., 1963

Ph.D., Electrical Engineering, University of Sheffield, U.K., 1966

ACADEMIC POSITIONS

Lecturer, University of Nottingham, 1967-1974

Associate Professor, Department of Electrical & Computer Engineering, Oregon State University, 1984-1991

Professor, Department of Electrical & Computer Engineering, Oregon State University, 1991-present

Visiting NSF Research Fellow, University of Cambridge, UK, 1991-1992

Head, Department of Electrical & Computer Engineering, Oregon State University, 1997-1999

Visiting EPSRC Fellow, University of Manchester (UMIST), UK, 2002

NON-ACADEMIC POSITIONS

Scientific Officer, Imperial Chemical Industries Ltd., U.K., 1966-1967

Supervisor, Electrical Design, Spar Aerospace (Toronto) Ltd., 1974-1977

Propulsion Design Specialist, Canadair Services Ltd., 1977-1980

Manager, Electrical Design, MetroCanada Ltd., 1980-1984

FIELDS OF SPECIALIZATION

Electrical machine analysis and design

Power electronic adjustable speed drives and variable-speed generators

Electrical vehicle propulsion systems (linear machines)

Electrical machine measurements and testing

PROFESSIONAL ACTIVITIES**Registration**

Ontario, Canada (P.Eng.)

United Kingdom (C.Eng.)

Professional Societies

IEE (London), Member, 1970

IEEE (New York), Member, 1975; Senior Member, 1984; Fellow, 2000

Professional RecognitionAssociate Editor, *IEEE Transactions on Power Electronics*, 1988-1991

Austin-Paul Award, OSU College of Engineering, Fall 1988, "For excelling in student-teacher relations that lead, encourage and stimulate students to pursue innovative engineering ideas"

First Prize Paper Award, IEEE Industrial Applications Society Machines Committee, October 1990

WALLACE, Alan K.
Professor

2

Compton Premium (Prize Paper), IEE (London) Power Division, August 1998
First Prize Paper Award, IEEE Pulp and Paper Industry Conference, June 2001

Committees, Commissions and Boards

Electric Power Research Institute

Technical Consultant: "Next Generation Wind Turbine" Program, 1993-1994

Member of National Advanced Motors and Drives Steering Committee, 1992-present

U.S. Department of Energy

Technical Consultant: Motor Challenge Program Videoconferences 1995 and 1998

National Science Foundation

Power Systems Research Proposal Review Committee, 1993-present

Center Site Visitor (Power Electronics), 1996-present

Electric Apparatus Service Association/American National Standards Institute

Reviewer of Standard for Repair of Rotating Electrical Apparatus, 1999

Institute of Electrical and Electronic Engineers (New York)

Member and Transaction Reviewer, Industrial Drives Committee, Industrial Applications Society, 1987-present

Member, Machines Committee, Industrial Applications Society, 1989-present

Member, Education Committee, Industrial Applications Society, 1989

Coordinator, Drive Sessions, Power Electronics Specialist Conference, Power Electronics Society, 1994-1995

Book Review: *Inspection of Large Synchronous Machines*, 1996

Industrial Drives Committee: Liaison Representative with Standards Committee on Testing of Induction Motor Drives, 1997-present

Franklin Institute, Washington, DC

Proposal reviewer, 1999-present

Oregon State University

Member, Technology Transfer Committee, 1987-present

Member, College of Engineering, Research Advisory Committee, 1994-present

Member, College of Engineering, Development Committee, 1996-1998

Director, EPRI Center in OSU for Motor and Drive Research, 1994-present

PUBLICATIONS

Book Chapter

"Industry Systems - Large Drives," (A.K. Wallace, R. Spée), in *The Electrical Engineering Handbook*, R. Dorf, Editor, CRC Press, February 1993, pp. 2237-2246.

Technical Journals

O.I. Butler and A.K. Wallace, "A Generalized Theory of Induction Motors with Symmetrical Primary Windings," *Proceedings IEE (London)*, pp. 685-694, 1968.
